Normandy & Gems of the Seine

⌚ 11 Day Cruise 📍 Paris > Paris

Take a journey down a river of dreams

The Seine isn't the largest river in Europe, or even France, but it may be the most renowned – and for good reason. This splendid waterway cuts through the heart of Paris, before winding its way along some of the most celebrated sites in northern France.

There are few superlatives that do justice to beautiful Paris, as you'll have ample opportunity to discover. Beyond Paris, you can look forward to a serene cruise to Honfleur, by the open waters of the English Channel, pausing at the most beautiful landmarks along the way. Les Andelys, Rouen, Caudebec-en-Caux – all the key points in this itinerary are steeped in history and brimming with charm. However, we've saved some highlights – evocative Vernon and medieval Conflans – for the return trip, including one last unforgettable fling in Paris.
